Shooting: We will be shooting imperial rounds, shooting 6 arrows per end. We will be shooting across the field in our regular "tournament" direction. Targets will be a mixture of foam and straw depending on entries. We will be shooting National rounds only, with full range of distances on offer; National 30, 40, 50, National, Long National, New National. Please advise when booking which distance you wish to shoot. We reserve the right to contact you in advance to discuss your entry should the need arise to request changes (*e.g. if you're the only person entering a round we may request if you would be able to swap distance*). There will be a comfort break at distance-change.

This is a relaxed and friendly tournament, with the added bonus of being Record Status for those who wish to try for county or national records! Perfect particularly for newer archers to gain experience of a tournament environment.
